END OF LIFE NOTICE: PAX S300, S80, SP30, SP20, and Aries6

To Our Valued Customers and Partners,

PAX Technology, Inc. is proud to provide the market with the most innovative and secure payment technology solutions available. As part of this focus, we must discontinue production and support of older products as necessary.

While we are aware of the PCI 4 expiration date extension to April 2024, we have made the decision to officially announce the End-of-Life of our **S300, S80, SP20, SP30, and Aries6 products.**

S300, S80, SP20, SP30, and Aries6

FINAL ORDER DATE: With the **release of this notice**, no new orders for all S300, S80, SP20, SP30, and Aries6 part numbers can be placed. Current orders have or will be fulfilled as remaining inventory allows.

END-OF-DEVELOPMENT DATE: There will be no new PAX-sponsored software development or application enhancements after **the release of this notice**. PAX will however continue to issue bug fixes for critical issues for **1 year**, or until **01-February-2024**.

END-OF-SERVICE DATE: 2 years after the last ship date.

PAX recommends the following products as replacement options:

S300>>>>> [**A35, a versatile Android based device**](#)

S80>>>>> [**A80, a high-performance Android-based desktop device**](#)

SP30 & SP20>>>>> [**Q25, a PINPAD that supports all forms of electronic payments**](#)

PAX Technology, Inc. is one of the largest electronic payment solution providers in the world, with 60 million terminals located in over 120 countries. As a leading global manufacturer of payment solutions, we are committed to delivering innovative, high-quality, and secure payment solutions to businesses, large and small, worldwide.
